A Season of Connection

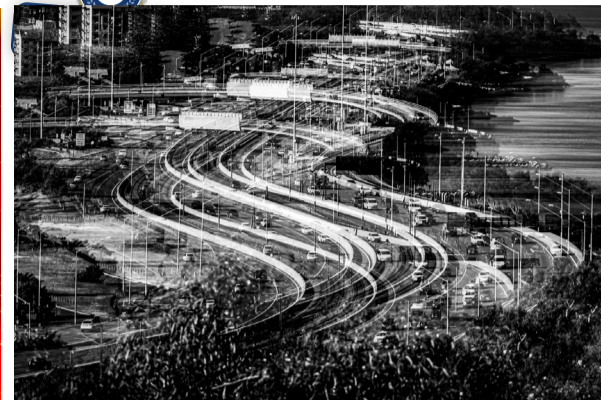

Category: Artistic Photography

Illuminate creativity with this theme! Participants were invited to photograph holiday moments filled with light—both natural and festive—paired with scenes of laughter and joy. The challenge was to show how light brightens the world and what abstract art means. Images could be supported using scientific imaging tools and artistic effects resulting from digital manipulation. This category is ideal for digital art images created or drastically altered in software like Adobe Photoshop®. Images created by artificial intelligence using image-creation programs are not eligible for entry.
